

Dear Customer,

We are sorry for the delay of your property and apologize for any inconvenience this has caused you. We are committed to doing everything possible to ensure the prompt return of your luggage. When your property is located, you will be notified immediately.

If our local personnel have not been successful in locating your property within five days, your claim information is automatically transmitted to our office in order to conduct a comprehensive search. Because of the similarity in appearance of most luggage, this secondary search is based on a description of the luggage and its contents. We use a computerized tracing system which searches the route systems of airlines worldwide. It is essential to this tracing process that we have the information on the attached Statement of Loss form. The information you provide will enable us to more effectively search for and identify your baggage.

The Statement of Loss form must be completed and mailed to our Claims office no later than **45 days** after your travel date. **As soon as the form is received, we can begin our enhanced search. Regrettably, we are unable to accept or process claim forms submitted more than 45 days after the date of loss.** Your cooperation is appreciated.

Please consider the following guidelines when completing the Statement of Loss form:

- **Please type or print the information legibly.** Missing or inaccurate information may delay our search.
 - **List each item separately.** For example, if you have three shirts, list each on a separate line. Describe each item fully: color, material, brand, size, location and date of purchase and cost.
 - **Note any identification appearing on the baggage.** Include any identifying characteristics such as stickers, old bag tags, etc. If the baggage was borrowed, note the name and address of the owner as it appeared in or on the bag.
 - **If more than one piece of baggage is missing,** please list those contents on a separate sheet of paper/stationary.
 - **For items valued at \$200.00 USD or more, verification of value and ownership is required.** Please attach clear copies of original receipts, invoices, canceled checks, credit card statements or other proof of purchase.
 - **Attach a legible copy of your airline ticket and baggage claim check, retaining a copy for your records.**
- These documents are required for consideration of your claim.

We will call you at the phone number you provide to confirm that we received your completed Statement of Loss. If you do not hear from us within 1 week after you sent your paperwork, please call us at 1-877-815-8253.

Most property is located within 4 to 6 weeks of receiving the Statement of Loss form. If we have not been successful at the end of that time, we will contact you in writing regarding resolution of your claim. If you have not heard from us after 6 weeks from the time you **submitted** the Statement of Loss, please contact our office.

Thank you for your cooperation in providing this information. We appreciate your patience and understanding as we work to locate your property.

Sincerely,

Alaska Airlines
